Flu Disparities Among Racial and Ethnic Minority Groups | CDC

Nov 09, 2021 · People from racial and ethnic minority groups experience higher rates of severe influenza (flu) illness. A CDC study examined differences in rates of flu-related hospitalization, intensive care unit (ICU) admission, and in-hospital death by race and ethnicity during 10 flu seasons (2009-2010 through 2018-2019). This analysis showed disparities in hospitalization rates.

Ethnic group - Wikipedia

An ethnic group or ethnicity is a grouping of
people who identify with each other on the basis of shared attributes that distinguish them from other groups such as a common set of traditions, ancestry, language, history, society, culture, nation, religion, or social treatment within their residing area. Ethnicity is sometimes used interchangeably with the term nation, particularly in cases of

**Ethnic groups in Omaha, Nebraska - Wikipedia**

Various ethnic groups in Omaha, Nebraska have lived in the city since its organization by Anglo-Americans in 1854. Native Americans of various nations lived in the Omaha territory for centuries before European arrival, and some stayed in the area. The city was founded by white Anglo-Saxon Protestants from neighboring Council Bluffs, Iowa. However, since the first settlement, substantial

The Changing Racial and Ethnic Composition of the U.S
Sep 23, 2020 · In 2018, Asian eligible voters made up 4% of the nation’s electorate (up from 2% in 2000), the smallest share out of all major racial and ethnic groups. Naturalized immigrants – a group that makes up two-thirds of the Asian American electorate – are the main driver of ...

Ethnic and Racial Identity Development - Adolescence - ACT
Ethnic identity develops in adolescence and is passed from one generation to the next through customs, traditions, language, religious practice, and cultural values. Our ethnic and racial identities are also influenced by the popular media, literature, and current events.

Racial and ethnic income inequality in America: 5 key
Jul 12, 2018 · 4 Income gaps across racial and ethnic groups persist and, in some cases, are wider than in 1970. Large gaps between the incomes of blacks and whites have narrowed only modestly in recent decades. In 2016, blacks at the 90th percentile of their distribution earned 68% as much as whites at their 90th percentile, the same as in 1970.

10.5 Racial and Ethnic Inequality in the United States
Although Table 10.3 “Selected Indicators of Racial and Ethnic Inequality in the United States” shows that African Americans, Latinos, and Native Americans fare much worse than whites, it presents a more complex pattern for Asian Americans. Compared to whites, Asian Americans have higher family incomes and are more likely to hold college degrees, but they also have a higher poverty rate.

Race/Ethnicity, Socioeconomic Status, and Health
These allow some assessment of how closely related current and past educational statuses are for racial/ethnic groups. Table 9-3 shows that racial and ethnic differences in parental education are similar to the differences for the respondent generation. Whites in the AHEAD sample are more than twice as likely as Hispanics to be from a household

The role of racial/ethnic identity in the association
Mar 05, 2019 · 1.1. Racial/ethnic identity as a moderator. Racial/ethnic identity is the part of self-concept that focuses on cultural group membership and perception of that membership (Sellers, Copeland-linder, Martin, & Lewis, 2006). While racial identity and ethnic identity may reflect the differences between race and ethnicity, they commonly include some sense of a shared history, values, and a
