solaris stanislaw lem
Solaris, written between June 1959 and June 1960 and first published in 1961, is a very significant novel among Lem's works. First of all, Solaris is not only the most famous work by Lem - it is presented on a grand scale in the 1961 novel "Solaris" by Polish writer Stanislaw Lem (1961-2006). The eponymous planet larger than Earth is encapsulated by an ocean of gel, which is itself
